ARMY FAMILY ACTION PLAN (AFAP)

What is AFAP?

The Army Family Action (AFAP) is a year round program designed to improve the quality of life for Soldiers, Families, Civilians, and the Fort Drum community.

Using this issue submission form, you can submit your issues, ideas, concerns, or suggestions.

AFAP listens and acts. Together, we find solutions.

Once an issue is received, the validity and local area of responsibility is determined. Most issues can be handled locally and are sent to the appropriate Directorate for resolution. The outcome of resolved issues will be posted on Facebook (Fort Drum AFTB & AFAP) and in the Mountaineer.

Some issues take time or are proven unattainable, but every issue is reviewed, monitored, and tracked until a resolution or determination is found. Those issues beyond the scope of Fort Drum are forwarded to IMCOM for review and submission to the General Officer Steering Committee (GOSC).

Revised May 2017
