Kick Butts Day

March 20, 2019

2:30-5:00PM

In partnership with Fort Drum's Army Public Health Nursing

Get ready to kick some butts on March 20! We're not talking about beating people up - we want you to kick those cigarette butts to the curb. National Kick Butts Day is a day of anti-smoking activism.

National Kick Butts Day is so important because it targets a vulnerable segment of our population. While all smoking-related deaths need to be prevented, it's particularly important to protect children. With all the peer pressure that exists, children need to learn from the get-go that smoking is not cool. Smoking is not fun; it's going to lead to long-term damage for their lungs. National Kick Butts Day is educating children on the damages and problems of smoking before they even start.

Vaping and JUULING???
Are you being targeted?

***Teen vaping (and juuling) has reached
"epidemic proportions," according to The
Food and Drug Administration.***
