MAJ JAMES RAJCHEL, 315-772-4483

Access Control For questions concerning Access Control, contact CPT David Mabry at 772-9959 or Mr. Charlie Childs at 772-3105.

Access Control

REAL ID Update:

- States that issued the resident's license/ID must be either compliant or have been granted an extension in order for that resident to use that license/ID for accessing Federal facilities. The license/ID itself does not have to be REAL ID compliant until "card-based" enforcement begins on October 1, 2020. All states are currently compliant. However, the following states only have extensions until: January 10, 2019: California, and Guam; April 1, 2019: Virgin Islands; May 1, 2019: Rhode Island; June 1, 2019: Alaska, Illinois, and North Marianas Islands; August 1, 2019: Kentucky, Missouri, and Pennsylvania; October 10, 2019: America Samoa, Maine, New Jersey, Oklahoma, and Oregon.
- The attached link will provide the most current information in reference to compliance: <https://www.dhs.gov/real-id>
- **The address to submit sponsorship applications:** usarmy.drum.imcom.mbx.des-acp@mail.mil
- **Use of drones on Fort Drum.** Commercial and/or recreational use of Unmanned Aircraft Systems (UAS/drones) within Fort Drum is prohibited without prior approval from the senior commander or Garrison Commander. The senior commander may authorize use of UAS for recreational purposes on a case-by-case basis. Each authorization will specify the scope of the recreational use to include designated locations and times approved for flying. Operators will abide by FAA requirements found at www.faa.gov/uas and register at DPTM-S. At a minimum, registration will include the pilot's contact information and FAA UAS registration number. The use of surveillance cameras in civilian/personal Unmanned Aircraft Systems (UAS) and model aircraft (RC planes/AC) is strictly prohibited.

- Now that the overpass to WSAAF is open please take advantage of the time saving experience as you do not have to process through two ACPs, however please use caution with the traffic round-about as people are adjusting to it.

Fire Prevention For questions concerning Fire and Emergency Services contact Assistant Chief Michael Marks, 315-772-4702, michael.j.marks.civ@mail.mil

The leading cause of fires in the kitchen is unattended cooking:

- Always use cooking equipment tested and approved by a recognized testing facility.

- Follow manufacturers' instructions
- Plug microwave ovens and other cooking appliances directly into an outlet.
- Never use an extension cord for a cooking appliance
- Stay in the kitchen when you are frying, grilling, or broiling food.
- If you leave the kitchen for even a short period of time, turn off the stove

• **NEW BASIC ALLOWANCE FOR HOUSING (BAH) RATES FOR 2019:** New BAH rates went into effect on 1 Jan 2019. Those Soldiers who were already signed in at Fort Drum and receiving the 2018 rate, will keep the same rate if higher than the 2019 rate or receive the 2019 rate if higher than the 2018 rate for their pay grade. If your pay grade changes or your marital status changes after 1 Jan 19, you will get the 2019 rate. Refer to the Department of Defense BAH website for more information:

<https://www.defensetravel.dod.mil/site/bah.cfm>

• **APPROVED ADEQUATE RENTAL HOUSING:** The Army Housing Online Users Services (AHOUS) at www.housing.army.mil is the Army's one-stop site for all housing information, on and off-post, at any Army installation. Click on Drum on the Select your Installation drop down menu on the upper right side of the webpage. This website contains information and links for information on barracks, on-post family housing and off-post housing. Current listings, updated weekly, of available off-post rentals at approved apartment complexes are available at the Welcome Home Center in Clark Hall. The overall rental housing market vacancy rate is

about 5 to 7%; further from post has greater vacancies and typically lower rents, while closer to post and newer rentals typically have fewer vacancies and slightly higher rents. However, there are plenty of rentals available and all rents are generally within the BAH rates and therefore affordable. **On-post Family Housing and the Timbers has some availability and some at (lower than BAH) market rates for some ranks.** Coordinate early for on-post housing to ensure you get the right home for your Family with minimal delays. Check with Fort Drum's Welcome Home Center at Clark Hall (2nd floor of Clark Hall) for the latest information (315-955-6644).

•**ARMY HOUSING SERVICES OFFICE CAN HELP:** The Army Housing Services Office at Clark Hall (Rm A2-54) is always available to assist Soldiers with any off-post housing issue, from finding the right housing and rental inspections to resolving landlord-tenant disputes. Never enter into a lease without checking first with the Army Housing Services Office to see if the rental you are contemplating has been inspected by us for basic safety and habitability criteria. Always get your lease reviewed by Legal Assistance or the Army Housing Services Office prior to signing to be sure all your rights are safeguarded and you're not entering into a situation that could turn bad for you after you move in. Stop in or call 772-9397 or 772-8751 to speak to a counselor.

July is the height of the summer season in upstate NY. Here are some tips to avoid summer hazards:

Driving

- Millions of people hit the road starting Memorial Day
 - Safety check your vehicle

 - Stretch prior
 - Don't overdo it
 - Wear proper PPE required by sport

Swimming

- Numerous lakes and parks in NNY
 - Always swim with a partner and only at guarded bodies of water
 - Know capabilities and limitations
 - Observe warning signs
 - Always test water depth before diving; if you can't see below surface, don't dive

Boating

- Plan your float/float your plan
 - Approved flotation devices for you and all passengers
 - Boat like you would drive (no alcohol, avoid distractions, watch for other craft and swimmers)

Grilling

- Cook the food, not yourself; Feed your guests, don't poison them
 - Keep food chilled until cooking, don't let it sit out afterward
 - Place grill in well-ventilated area and away from play areas
 - Wear fitted clothing to avoid contact with fire
 - Stand upwind when starting fire
 - Don't use flammable liquids to start fire or relight coals

Heat Injuries

- Don't become a casualty catching some rays
 - Hydrate often
 - Avoid hottest part of the day
 - Wear light, loose clothing and use sunscreen

Fireworks

- Per Fort Drum Regulation 420-4, The Fire Prevention Program, fireworks are illegal to possess on Fort Drum. You can; however, enjoy an awesome fireworks display during Mountainfest put on by a licensed, approved vendor.
- According to the Consumer Product Safety Commission, on average, 280 people go to the emergency room every day with fireworks-related injuries in the month around the July 4th holiday. Even sparklers can burn at temperatures exceeding 2000 degrees.
