Transitioning youth often have questions concerning their new community and how it compares to the community they are preparing to depart. The lack of knowledge of the area and the apprehension of leaving friends often makes moving a frightening experience. Interested Families can request a youth sponsor by completing this form and emailing it to: usarmy.drum.imcom-fmwrc.mbx.slo@mail.mil. This form will be sent to Fort Drum Child and Youth Services and Youth Programs will contact your Family about connecting your child to a Youth Sponsor who can help answer questions and make moving a little easier.
