Dear customers and friends,

For the health, safety and well-being of our customers, employees and communities, we are temporarily closing our doors effective until further notice.

We feel that the best way to serve you in light of Covid-19 is to closely follow the guidelines set by the Department of Health and our state and health officials.

We encourage everyone to remain indoors and keep safe! Thank you, and we look forward to serving you once again.

### Travel Guidance -

A New York state executive order, "New York State on PAUSE," directs all non-essential businesses statewide to close all in-office personnel functions at 8PM on Sunday, 22 March. There are several "essential businesses or entities" that are exempt from closure. For the purposes of this order, Defense and National Security-related operations supporting the U.S. Government and contractors to the U.S. Government are specifically excluded from the New York State executive order. Accordingly, all DoD personnel and DoD contractor personnel should continue to report for duty as directed by their supervisor. If DoD personnel encounter local law enforcement during such travel, DoD personnel should identify themselves using Common Access Cards and explain the nature of their work and travel in support of DoD.
