• **REAL ID Update:**

The final enforcement deadline is 1 October 2021. By this date, not only must all states be issuing Real ID-compliant licenses or IDs, but individuals must also have visited their state's driver's licensing agency and obtained a REAL ID compliant card, or acceptable alternative such as a U.S. passport, if they wish to fly on commercial aircrafts or access federal facilities.

REAL ID-compliant cards will have one of the following markings on the upper top portion of the card. If the card does not have one of these markings, it is not REAL ID-compliant and won't be accepted as proof of identity.

Currently Oregon has extension until August 7, 2020 and Oklahoma extended until September 18, 2020 to become compliant. New Jersey is under review. All other states are compliant and issues REAL ID Licenses with the appropriate markings. Please check your license and if it is not an enhanced or have one the above markings on it then it is not compliant.

- Fort Drum is slated to be fielded Automated Installation Entry (AIE) during the upcoming months. With it will be a change in scanners. All personnel, to include DoD ID cards, will have to be registered within the system. This process should be transparent with minimal inconvenience to individuals. We will provide more information as the system comes online and will provide specifics on what can be expected along with the benefits of the new system.

Fire Prevention: For questions concerning Fire and Emergency Services contact Assistant Chief Steven LaRue, 315-772-4702, steven.c.larue.civ@mail.mil.

Smoke Alarms in the Home: Smoke alarms are a key part of a home fire escape plan. When there is a fire, smoke spreads fast. Working smoke alarms give you early warning so you can get outside quickly. A closed door may slow the spread of smoke, heat, and fire. Roughly 3 out of 5 fire deaths happen in homes with no smoke alarms or no working smoke alarms.

- Install smoke alarms in every bedroom. They should also be outside each sleeping area and on every level of the home and basement.
- A smoke alarm should be on the ceiling or high on a wall. Keep smoke alarms away from the kitchen to reduce false alarms. They should be at least 10 feet (3 meters) from the stove.
- Test all smoke alarms at least once a month. Press the test button to ensure the alarm is functioning and change the batteries annually.

Law Enforcement: For questions concerning Law Enforcement, please contact us either 772-5156/5157/7771, or Chief Julian at 772-4483 email todd.m.julian.civ@mail.mil

- **EMERGENCY CONTACT NUMBERS:** dial 911 from any land-line. That call will go directly to the DES Dispatch Center. If you dial 911 from your cell phone, that call will go directly to the Jefferson County Dispatch Center; advise the dispatcher you are calling from Fort Drum and they will redirect your call to the DES dispatch center. Current technology does not allow for the separation of cell phone calls on or off the installation. For non-emergency calls for service: Dial (315) 772-5156.

- **Coffee with the Chief:** Meet with your local law enforcement and discuss issues/concerns within your community. Next event is 30 July 2019, 1000 at the Crescent Woods Community Center.

• Summer Safety Tips

- Lock your doors, *INCLUDING* the garage door. Unlocked doors are open invitations to intruders.
- Ask a trusted family member, friend, or neighbor to keep a watchful eye on your home or have your mail held at the local post office until your return.
- Put lights on timers to give the impression that someone is home.
- Don't post on social media that you are leaving town, and wait post photos after you return from your trip.
- Always lock your doors and roll up your windows when you leave your car.
- Do not leave valuables in the car. If you must leave prized possessions in your vehicle keep them out of sight or hidden in the trunk.
- Do not leave children or pets left unattended in vehicles. Please note temperatures inside of a vehicle can be considerably warmer than the temperature outside. Excessive heat can cause serious injury or death.
- Don't Drink and Drive – Law Enforcement has increased sobriety checks during summer months, both off and on post.

Those Soldiers who were already signed in at Fort Drum and receiving the previous year's rate, will keep the same rate if higher than the new rate or receive the new rate if higher than the previous year's rate for their pay grade. If your pay grade changes or your marital status changes after 1 January, you will get the new rate. Refer to the Department of Defense BAH website for more information: <https://www.defensetravel.dod.mil/site/bah.cfm>

• **APPROVED ADEQUATE RENTAL HOUSING:** The Army Housing Online Users Services (AHOUS) at www.housing.army.mil is the Army's one-stop site for all housing information, on and off-post, at any Army installation. Click on Drum on the Select your Installation drop down menu on the upper right side of the webpage. This website contains information and links for information on barracks, on-post family housing and off-post housing. Current listings, updated weekly, of available off-post rentals at approved apartment complexes are available at the Welcome Home Center in Clark Hall. The overall rental housing market vacancy rate is about 10%; further from post has greater vacancies and typically lower rents, while closer to post and newer rentals typically have fewer vacancies and slightly higher rents. Many apartment complexes are running specials. There are plenty of rentals available and all rents are generally within the BAH rates and therefore affordable. On-post Family Housing and the Timbers have availability and

some at (lower than BAH) market rates. **Coordinate early for on-post housing** to ensure you get the right home for your Family with minimal delays. Check with Fort Drum's Welcome Home Center at Clark Hall (2nd floor of Clark Hall) for the latest information (315-955-6644).

• **ARMY HOUSING SERVICES OFFICE CAN HELP:** The Army Housing Services Office at Clark Hall (Rm A2-54) is always available to assist Soldiers with any off-post housing issue, from finding the right housing and rental inspections to resolving landlord-tenant disputes. Never enter into a lease without checking first with the Army Housing Services Office to see if the rental you are contemplating has been inspected by us for basic safety and habitability criteria. **Always get your lease reviewed** by Legal Assistance or the Army Housing Services Office prior to signing to be sure all your rights are safeguarded and you're not entering into a situation that could turn bad for you after you move in. Stop in or call 772-9397 or 772-8751 to speak to a counselor.

21. MEDDAC

STEPHANIE MANN, 315-772-4655

- We are looking for TRICARE beneficiaries (active duty, active duty family members, retirees, retiree family members) to volunteer to be council members for our new Patient and Family Partnership Council (PFPC) All volunteers will be required to complete Fort Drum volunteer training, Annual Privacy Training (HIPPA), and sign a confidentiality agreement. The purpose of the PFPC is to make recommendations that would improve the experience of care to the Military Treatment Facility Commander, COL Robert Heath. If you would like to receive a volunteer application please reach out to the Fort Drum MEDDAC Patient Advocate, Ms. Stephanie Mann at 315-772-4655 and/or Stephanie.m.mann4.civ@mail.mil.
- Joint Outpatient Experience Survey (JOES): If you are seen at a Fort Drum Military Treatment Facility (MTF), you may be randomly selected to fill out a JOES survey. The survey welcomes patients at DoD (MTFs) the opportunity to voice outpatient experiences, to compare and standardize beneficiary visits among all DOD facilities, in order to achieve superior care. The answer to each survey questions directly impacts our monthly patient satisfaction score. This satisfaction score is displayed throughout all Fort Drum MTFs. Fort Drum MTFs receive additional funding from outpatient surveys when beneficiaries answer JOES' overall patient satisfaction question, question 23, that they agree their health care visit was satisfactory. This additional funding can help us improve the patient experience, increase medical resources, improve infrastructure, and introduce new initiatives. Your feedback is important! 26. SAFETY

JOHN DROZD, 315-772-3022

- With the uncertainty of COVID-19 considerations, there are still ways to celebrate Halloween. Here are some innovative ideas to get your goblin on, enjoy the holiday and stay safe:
- A fun family activity to get everyone in the "spirit" of the holiday, decorate your house to the max. Some people even pull their Christmas trees out and decorate with a Halloween theme.
- Host a costume party or pumpkin decorating contest using your preferred video communications.
- Have a neighborhood "trunk and treat". Have a designated adult with hand sanitizer give out the treats rather than encouraging lots of little hands to reach inside of the bowl.
- Do a reverse trick or treat parade. Organize a COVID-19 drive by of your neighborhood and hand out candy to the kids who are standing in their yard in costume. People in the car can dress up also, just ensure the driver is not wearing anything that will affect the safe operation of the vehicle.
- Boo or ghost friends. Drop an anonymous bag of Halloween candy at a friend's front door after dark. Ring the doorbell or knock and then "disappear".
- Organize a "Glow in the Dark" Halloween egg hunt. Pull out those stored plastic Easter eggs (or purchase glow in the dark eggs) and put wrapped candy in them. Use glow sticks to light the way.
- Hang a Halloween piñata in the house or yard to try and score a big candy haul.
- Be innovative and come up with your own ideas. Of course, these will all be done with adult supervision, social distancing and mask wear. Have fun this Halloween and Be Safe!
