*Cleaning deposit and usage fees are both due in full at the time of reservation.

All renters must provide an event plan and risk assessment at the time of pre-inspection or prior to the rental date.

The facility may not be occupied past 2100. No exceptions.

Key return and post inspection is at 0900 the next business day. Late returns will forfeit their cleaning deposit unless you've received prior authorization for a later return time.

Rentals are due back no later than 1200. If rentals are not returned on time, a minimum of a one day fee will be charged per item rented.

A rental day is considered from time of pick up until 1200 the following day. If rental items are returned after 1200 on the designated turn-in date, you will be charged an additional day's fee for the rented item(s). All items must be clean and in working condition at the time of return. Damages and/or loss will result in additional charges.

All reservations require half of the rental cost as a deposit or a one day rental fee for items less than \$25.00, payable at the time of reservation. This fee will be applied to the final cost of goods and/or services. All equipment rental reservations are on a first-come, first-served basis.
