How It Works: Tutor.com

Connect with expert tutors for on-demand, 1-to-1 help

tutor.com™

**TUTOR.COM for U.S. MILITARY FAMILIES**
www.tutor.com/military

The expert tutors at **Tutor.com/military** can help you work through tough homework problems, improve your writing skills, study for a test, review a difficult concept, and so much more!

Students enrolled in a DoDEA school can access Tutor.com via Classlink in their EDU Rostered Apps folder.
Access Live Tutoring

Step 1: Get started
1. Go to **www.tutor.com/military**
2. Click on your branch of service.
3. Certify your eligibility and create an account.
4. Click **GET A TUTOR NOW.**

Step 2: Match with the right tutor
Fill in the quick pre-session questionnaire. Using this information, we will match you with the first available tutor best qualified to assist you.
Step 3: Communicate
You can use text- or voice-chat to communicate with your tutor in the online classroom.* You may also use the interactive whiteboard to share work and ideas. *All activity in the classroom is recorded. Transcripts will be available afterward in* **My Account** *under the* **Completed Sessions** *tab.*
Step 4: Share a file
You can upload files related to your assignment to the online classroom—including documents, spreadsheets, presentation slides, screen-shots, image files, and more.
Step 5: Use special tools
A graphing calculator, text editor, and code editor can be used when working on subject material requiring special tools. You can open them by using the buttons above the whiteboard.
Step 6: Rate and review your session
After each session, be sure to let us know how we did! Then you'll have the option to play a recording of your session and email or print the chat log and whiteboards.

Submit your paper
Get expert help from a tutor without having to connect for a real-time session. Upload a draft of your assignment—whatever stage it is at—and get detailed feedback within a day. Retrieve your tutor's completed review in **My Account** under the **Completed Sessions** tab.
Practice for a test
Use our practice quizzes to assess your knowledge and prepare for upcoming math, science, or English tests as well as the ASVAB exam. Review your results and connect with a tutor to go over any questions you may have missed.

Use *My Account*
- Access files you have saved or those you have shared in sessions with your tutors under **Locker**.

- Reconnect with your favorite tutors or see when they are next available by clicking on **Favorite Tutors**.

- Review previous sessions and retrieve feedback on your drop-off reviews under **Completed Sessions**.
